

MAPLE DALE - INDIAN HILL

2012

SUMMER EDUCATION PROGRAM

S U M M E R

JUNE 18TH - JULY 20TH, 2012
8:30 - 11:30 A.M.

MAPLE DALE-INDIAN HILL SCHOOL DISTRICT
SUMMER EDUCATION PROGRAM
JUNE 18th - JULY 20th, 2012
8:30 – 11:30 a.m.

PROGRAM DESCRIPTION - This program will provide children with educational opportunities to reinforce skills and extend learning. Classes are based on State Standards and will reinforce these as well as the District's curriculum. Each child (with the exception of JK and SK students) may enroll in three (3), fifty-five minute classes per day based on course availability. Please review the course offerings carefully, and select an 8:30, 9:30 and 10:30 a.m. class. Also select an alternate 8:30, 9:30 and 10:30 a.m. class that will be used if any classes are canceled due to lack of enrollment or if classes have reached full capacity. **Please note: we cannot accommodate schedule change requests after June 7, 2012. All classes will be held at Maple Dale School. Classes will not meet Wednesday, July 4, 2012.**

ELIGIBILITY - Any student currently enrolled in public, private or parochial elementary school having completed grades JK-7 is eligible to participate. Students must have turned 4 prior to September 1, 2011.

DISTRICT STATUS - A district student is any student who currently attends Maple Dale-Indian Hill or lives in the Maple Dale-Indian Hill School District. Students who attend other schools and do not live in the Maple Dale-Indian Hill School District are considered non-district residents.

PROGRAM FEES - Maple Dale-Indian Hill District Students

The cost of the summer program for resident first through seventh grade students will be \$5.00 per course selected, an additional \$45.00 for the optional kindergarten through seventh grade Friday morning program, and \$15.00 for the three hour Monday through Thursday Junior and Senior Kindergarten programs. **Additional materials fees are charged for some courses.** Please see course descriptions for any additional fees.

NON-MAPLE DALE -INDIAN HILL DISTRICT STUDENTS

The cost of the Monday-Thursday summer program for these students will be \$250 per child. Additional materials fees are charged for some courses. Please see course descriptions for any additional fees.

REGISTRATION/EMERGENCY FORMS - Registration should be completed by mail or dropped off at Indian Hill School, 1101 W. Brown Deer Road, Milwaukee, WI 53217 or Maple Dale School, 8377 North Port Washington Rd, Milwaukee, WI 53217. **Full payment of course fees plus any additional materials fees must be submitted with registration forms.** We are unable to prorate fees due to absence or refund fees due to withdrawal from the program. Please complete the enclosed registration/emergency forms. **(One per student.)**

All registration forms must be returned prior to 3:00 p.m. on May 10, 2012.
Registrations received after this date will be handled only if class openings are available.

CONFIRMATION OF COURSES AND SCHEDULE - At the conclusion of the registration deadline and at least two weeks before the start of summer school, you will receive a confirmation letter with your child's schedule of his/her three (3) classes, and Friday program enrollment status if applicable. **Look for your confirmation letter the first week in June.**

ATTENDANCE - All students enrolled in the Summer Education Program are expected to attend classes on a regular basis. Advance notification of student absence should be submitted in writing to the Summer Program office, when possible.

TRANSPORTATION - No bus transportation is provided for any students to the summer program or to return home following the program. Parent carpools are strongly encouraged and have proven to be very effective to lessen traffic congestion. A traffic flow map will be sent with student registration confirmations. It is imperative that families follow these guidelines.

LATE PICK UP FEE - Due to increasing numbers of students being picked up late, a policy has been established which involves the assessment of a \$10.00 fee for each day a student is picked up later than 11:45 a.m. **This fee must be paid before the student returns for his/her next day of classes.**

PROGRAM INFORMATION - Questions concerning Summer School matters should be referred to the Summer Education Coordinator at Maple Dale School, 351-7380, ext. 1042.

SUMMER EDUCATION PROGRAM COURSE OFFERINGS

SUMMER EDUCATION PROGRAM COURSE DESCRIPTIONS

The following summer school courses are available for children *presently* (as of spring 2012) in the grades indicated after each course. Please make note of any student-provided supplies and/or additional materials fees associated with some courses. Instructor assignments are tentative and are subject to change.

These courses are Monday thru Thursday. Optional Friday Field Trips are on Page 8.

Junior Kindergarten

Instructor: Staff

Students must have completed JK to be enrolled in this class. This three (3) hour course is a learning, social and play experience. Students will review academic skills learned in JK and will be introduced to skills presented in SK. Skills include counting, number recognition, patterns, letter recognition and formation, fine motor skills, singing and rhyming. We will also incorporate daily Spanish into the class this year.

Student provided supplies: School box, crayons, markers, scissors, glue stick, white t-shirt

Senior Kindergarten

Instructor: Staff

Students must have completed SK to be enrolled in this course. The students in this three (3) hour course will be involved in a thematic-based program focusing on reinforcement and application of skills learned in preparation for first grade. Skills include handwriting, addition, and subtraction using manipulatives, storytelling, recognition of rhyming words and basic sight words, and stories focusing on reality and fantasy. We will also incorporate daily Spanish into the class this year.

Student provided supplies: School box, crayons, scissors, glue stick, smock, white t-shirt

Band: Grades 5-7 9:30 a.m.

Instructor: J. Breiwick

This course is designed for students with at least one year of experience with their instruments. Students will play a varied repertoire of instrumental music while keeping their skills sharp. A concert will be given at the end of the summer session.

Student provided supplies: Instrument in good playing condition

Materials fee: None

bARTology: Grades 1-3 8:30 a.m.

Instructor: R. Literski

It's biology, art and botany combined into one summer session. Students will use nature as an inspiration in each of their art lessons. We will use the nature area just south of the school to draw many of our ideas from! Microscopes here we come! **ALL NEW PROJECTS**

Student provided supplies: Smocks

Materials fee: \$30.00

Beginning Computer Graphics: Grades 5-7 10:30 a.m.

Instructor: J. Genovese

Students will learn techniques of computer graphics using the Adobe/Macromedia Suite (Fireworks) and will be applying them to numerous projects and web applications. Some techniques include: layering, object rendering, shading, color, reflection and transparency, exporting file types, and creating high-resolution images.

Student provided supplies: None

Materials fee: None

Beginning Technology: Grades 1-4 8:30 or 9:30 a.m.

Instructor: J. Genovese

Students will have hands-on experience with many forms of technology. We will be creating projects using digital cameras, digital video, computer graphics software, etc. Students will also learn about basic computer hardware and the inner workings of the Internet. **Class covers different content each year.**

Student provided supplies: None

Materials fee: None

SUMMER EDUCATION PROGRAM

COURSE OFFERINGS

Board Games: Grades 1-3 8:30 a.m.

Are you competitive, and do you like a challenge? Then this is just the class for you. Board games for all ages will be offered. This is a great way to have fun and use your thinking skills at the same time.

Student provided supplies: None

Instructor: L. Katz

Materials fee: None

Create Your Own Comic Book: Grades 4-7 10:30 a.m.

Ever wonder what makes a comic book different from a graphic novel? You will explore this and more as you create your own comic strips and books with drawings and character dialogue.

Student provided supplies: none

Instructor: S. Lesgold

Materials fee: None

Creative Cooking: Grades 2-7 8:30, 9:30 or 10:30

Do you like to cook? Or, would you like to learn how to cook? If so, this is the class for you! Grab your oven mitts, put on your apron, it's time to get cooking! Spend the summer preparing and sampling flavors from around the world, learning how to use various kitchen tools, working together with other students to create flavorful fare, and experimenting with healthy choices. You'll put your new skills to the test for the grand finale: The Cupcake Wars! Cook the summer away and leave with your favorite recipes in your very own cookbook.

Please be aware that cooking and enjoying the dishes is done in teams. Please let us know if your child has any food allergies or dietary restrictions.

Student Provided Materials: 1" Three Ring Binder and a Tupperware container with tight fitting lid (to be brought daily)

Materials Fee: \$30

Instructors: R. Boesch, S. Gengler

Creative Writing: Grades 4-7 8:30 a.m.

Students will work independently and in groups to explore the creative side of writing. We will spend time talking about journalism while writing news and special interest articles as well as write and illustrate a book of original stories.

Student provided supplies: Pencils, notebook to keep writing samples

Instructor: S. Lesgold

Materials fee: None

Equines Around the World: Grades 1-4 8:30 a.m.

Learn about the horse, the people who care for this animal and the responsibility that goes into owning a horse.

Student provided supplies: Labeled school box, 26 count crayons, colored pencils, scissors & markers Materials fee: \$5.00

Instructor: S. Veseth

Flying into Fifth Grade: Grade 4 8:30 a.m. or 9:30 a.m.

This is an opportunity for Maple Dale students to begin 5th grade with a bang. This class will focus on preparing incoming students to be successful in the following skills: organization, time management, study skills, reading skills, and fifth grade expectations. This class is only for incoming fifth grade Maple Dale Students.

Student provided supplies: None

Instructor: M. Moliere

Materials fee: None

FUNDamental Math: Grades 1-2(10:30) 3-4 (9:30) and 5-7 (8:30) a.m.

This class is designed for students who are experiencing difficulty with math. We will review basic facts for addition, subtraction, multiplication and/or division.

Student provided supplies: Pocket folder

Instructor: L. Chase

BY TEACHER RECOMMENTION ONLY

Materials fee: None

SUMMER EDUCATION PROGRAM

COURSE OFFERINGS

Introduction to Guitar: Grades 4-7 10:30 a.m.

The course "Introduction to Guitar" is for children who have had no prior experience playing the guitar. The course introduces the basics of folk guitar playing including tuning, chords, strumming, and finger picking. The class will use the Hal Leonard Guitar method book that comes with a CD for home practice. Students are expected to practice at home 30-45 minutes per day and to carry a guitar to and from school. It is not possible to transport a guitar riding a bicycle. Guitars are available for those who do not own their own. It is not recommended that students begin on electric guitars. Students who have taken the class before are welcome to take it again for review; however, keep in mind that the same material will be covered.

Student provided supplies: None

Instructor: J. Breiwick

Materials fee: \$10.00

Introduction to Piano: Grades 1-7 8:30 a.m.

The course "Introduction to Piano" is for children who have had no experience playing piano. The course introduces the basics of the keyboard layout, proper fingering, note letter names and time values. Using the Alfred book series, children learn simple piano pieces using one and two hands. The series guides the children through basic music theory and fingering technique. Books are included in the material fee. The students must provide headphones. Children should practice 20-30 minutes per day on a home keyboard or piano. Some practice time will be included in the daily lesson, so children without access to a home keyboard can still participate. Students who have taken the class before are welcome to take it again for review; however, keep in mind that the same material will be covered. These students need not pay the material fee if they still have all the course books.

Student provided supplies: None

Instructor: H. Maciolek

Materials fee: \$20.00

Jazz Experience: Grades 5-7 8:30 a.m.

This course is available to any instrumental student with at least one year of experience on a particular instrument. We will learn about jazz history, improvisation, theory and composition. There will be guest artists and performances by professional musicians. The session will conclude with a concert.

Student provided supplies: Instrument

Instructor: J. Breiwick

Materials fee: None

Just Black and White: Grades 6-7 10:30 a.m.

Using a digital camera, a computer and a little imagination, the students will create images on photoshop, imovie, image transfers on transparency paper, graphic designs, etc. These completed works of art will be good enough for display on every cell phone screen saver and good enough to sell on E-Bay.... But you may want to keep them to enjoy. **ALL NEW PROJECTS**

Student provided supplies: None

Instructor: R. Literski

Materials fee: \$30.00

Mad Science: Grades 3-4 (8:30), 1-2 (9:30), 5-7 (10:30) a.m.

Do you enjoy science and doing experiments? Students in this class will explore different elements of science through hands on activities and experiments. This class will be educational yet fun and interactive. Students will be introduced to basic science terms and processes and laboratory safety and will be given opportunities to develop observation skills.

Student provided supplies: None

Instructor: E. Shekem

Materials fee: \$30.00

Math Club: Grades 1-3 10:30 a.m.

This class is for students who excel at math. Activities will include math puzzles, riddles, logic problems and more! Have fun while further advancing your math skills.

Student provided supplies: Paper, pencil

Instructor: L. Katz

Materials fee: None

SUMMER EDUCATION PROGRAM

This popular class is back covering five new authors and their books. Have fun exploring their stories with activities and projects.

Student provided supplies: paper and pencils

Instructor: S. Johnson

Materials fee: \$5.00

Mission Possible Fitness: Grades 5-7 8:30 a.m.

Daily walk or jog, fitness obstacle course, scavenger hunts, relays. Team sports are: basketball, softball, soccer and kickball. Stay in shape in the summer and have fun doing it.

Student provided supplies: comfy clothes and water bottle

Instructor: J. Havig

Materials fee: \$5.00

Outdoor Games: Grades 1-4 9:30 or 10:30 a.m.

Get outside this summer and have fun in the summer sun. Games will include T-Ball, kickball, capture the flag, jump roping and other fun games.

Student provided supplies: comfy clothes and water bottle

Instructor: J. Havig

Materials Fee: \$5.00

Pets We Love: Grades 1- 4 9:30 a.m.

“Dogs and Cats: - we will learn all about both of these wonderful animals and will have a regular “Show and Tell” from special guests as well as classmates.

Student provided supplies: Labeled School Box, 26 count crayons, colored pencils, scissors, & markers.

Instructor: S. Veseth

Materials fee: \$5.00

Practice Recycling Through Creativity: Grades 3-4 10:30 a.m.

We will learn about what is happening to our Earth, how important it is to recycle, the importance of plants, have a special speaker, and create fun projects through recycling.

Student provided supplies: school box, colored pencils, crayons, scissor & markers Materials fee: \$15

Instructor: S. Veseth

Puzzle Mania: Grades 4-7 9:30 a.m.

Love to create puzzles: Here is your opportunity. This class will allow you to create and solve puzzles such as jigsaw, a square, crossword, word search, and Sudoku to name a few. Bring your problem solving skills and creativity for a fun class of puzzles.

Student provided supplies: pencils, markers, paper

Instructor: S. Lesgold

Materials fee: None

Reading Intervention: Grades 1-2 (8:30), 5-7 (9:30) and 3-4 (10:30)

This will be a continuation of the regular school Academic Support program. It will provide reinforcement for students who need to acquire a better foundation of reading skills and strategies. Individual and small group instruction will be geared to the needs of each student.

Student provided supplies: School box, pencils, crayons, scissors, pocket folder, spiral notebook

BY TEACHER RECOMMENTION ONLY

Materials fee: None

Sail into Spanish: Grades 1-2 (8:30), 3-4 (10:30) a.m.

Learn Spanish this summer in a fun and interactive way. Language instruction, arts and crafts, games, songs, dancing and cooking make learning a foreign language an enriching and fun experience. Students will learn conversational Spanish. Units to be presented include food, animals, colors, shapes, numbers and more. Hasta la vista!

Student provided supplies: School box with crayons and pencils

Instructor: K. Arbit

Materials fee: \$5

SUMMER EDUCATION PROGRAM

COURSE OFFERINGS

Sew You Have an Interest in Sewing!: Grades 4-7 9:30a.m.

Instructor: R. Literski

Pillows, patterns, patches & puppets. We will be sewing buttons, using the sewing machine, make a pillow, threading a needle and learning many types of sewing stitches. **ALL NEW PROJECTS**

Student provided supplies: None

Material Fee: \$30

Summer Musical: Grades 1-7 9:30 & 10:30 a.m. (2 hour class)

Instructor: H. Maciolek, D. Katz

Come be part of one of the most magical stories ever!! Learn about acting and theater while having fun. This year's production will be *Winnie the Pooh*.

Student provided supplies: costumes and props

Writing Connections: Grades 1-3 9:30 a.m.

Instructor: L. Katz

This course is designed for students who would benefit from additional work on their composition skills. Students enrolled in this course will focus on language arts skills taught at their grade level during the past school year. Classes will include conventions of grammar, writing and editing strategies. We will work on expanding sentences, writing paragraphs, subject/verb agreement, and distinguishing purpose in writing.

Student provided supplies: Pocket folder, paper, pencil

Materials fee: None

SUMMER EDUCATION PROGRAM COURSE OFFERINGS

OPTIONAL FRIDAY MORNING PROGRAM: GRADES K-7

Staff: To Be Announced

This 3-hour Friday morning program will be comprised of off campus special group activities. Each week, we'll visit a fun Milwaukee area location. Our trips this year include movie and popcorn at the Marcus North Shore Theatre, roller-skating at Ozaukee Skateland, a tour of Sprecher Brewery, bowling at Brown Deer Lanes and ComedySportz. (The trips are subject to change.)

Five-Week Friday Program Fee: \$45.00

☞ EXCELLENT ALL-DAY OPPORTUNITY FOR YOUR CHILD!

MORNING SUMMER SCHOOL FOLLOWED BY AFTERNOON SUMMER DAY CAMP!

Maple Dale-Indian Hill Summer Program students have the option of being transported by bus for an additional fee to the Nicolet Recreation Department's afternoon activities at Glen Hills Middle School or to the Harry and Rose Samson Family JCC. If you have questions, contact Summer Educational Coordinator Debbie Scribner, (414) 351-7380, ext. 1042. (Either option may be canceled if there is not enough interest!)

The Maple Dale-Indian Hill School District is committed to equal educational opportunity. It is the policy of the School District that no person, on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other basis protected by law, may be denied admission to any school in this district or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program pursuant to Wis. Stat. § 118.13 and Wis. Admin. Code Chapter PI 9.
